V250
Style Line® Series
Single-hung window

A quality vinyl window available at a reasonable price, the V250 Style Line® Series single-hung is a thoroughly modern window while also offering durability and security. Its slim stylings and clean lines are just the beginning of this window's aesthetics. It also offers a variety of upgrades, including a wealth of grid and color options to accommodate your home's architectural design and interior style.

What you can expect

SLIM FRAME DESIGN

The V250 Style Line® Series single-hung window features a slim frame design that maximizes the glass area, allowing for more natural light and unobstructed views. The narrow frames provide a sleek and modern look while creating a bright and open atmosphere.

RELIABLE AND SECURE OPERATION

The V250 Style Line® Series single-hung window glides vertically, allowing for easy operation. With the Positive Action Lock (PAL), you can close and lock the window securely in one action. The lock also complies with California's strict residential forced entry code, adding security to your home. High-quality hardware and balance systems ensure performance over time.

DURABLE VINYL CONSTRUCTION

Made from high-quality vinyl, the V250 Style Line® Series awning window is known for its durability, and efficiency. Vinyl is resistant to moisture, warping, and corrosion, ensuring a lasting look and performance. The multi-chambered vinyl frames also improve insulation, making these windows a smart choice.

Engineered to perform

- Available in 1” or 1-3/8” nail fin setback, 1-5/8” Z-bar, block frame and block frame with sloped sill adapter
- SunCoat® Low-E2 glass coatings come standard on the V250 Style Line® Series for added energy performance with optional argon fill
- Featuring our Positive Action Lock™ (PAL) giving added security
- PureView® mesh screen is available to keep debris and bugs from entering your space, without obstructing your view
- Designed for new construction or replacement applications
- The V250 Style Line Series comes with a Limited Lifetime Warranty

Energy efficient glass

Able to meet ENERGY STAR® requirements in all four climate zones. Our dual-pane insulated glass package options help save on heating and cooling costs while enhancing home comfort.

- In cool weather, insulated glass provides outstanding thermal performance to keep interior glass surfaces closer to room temperature, eliminating cold spots near windows
- In warm weather, it helps reduce solar heat gain and minimize glare to improve interior comfort

GLASS PACKAGE	U-VALUE	SHGC	ENERGY STAR ZONE
SunCoat Low-E	0.33	0.32
