

MILGARD
WINDOWS and DOORS

C700 Series Casement window

Durable, energy efficient, and easy to operate, the C700 casement window is a marvel of modern engineering. It also comes standard with our FlexScreen to keep insects and debris out of your space. And the C700 is available with a wealth of aesthetic options, including frame colors (white, black, bronze, bark, adobe, and steel gray), hardware colors (matching colors, as well as satin nickel and oil rubbed bronze), and grids.

What you can expect

SIMPLE OPERATION

Your C700 casement window will open and close with ease, allowing you and your family to enjoy a cool breeze on a warm day.

MODERN LOOK

With its narrow sightlines and array of dark frame color options, the C700 is the epitome of a modern window. It can complement any architectural style or interior design.

ENERGY EFFICIENCY

Like most fiberglass windows, the C700 offers top-notch energy efficiency. It comes standard with MILGARD's SunCoat Low-E2 glass, and homeowners have the option of upgrading to SunCoatMAX Low-E3 glass and argon gas between the panes for added energy performance.

Engineered to perform

- Folding nest handle tucks away when not in use
- Primary weather seal is continuous around the frame for enhanced water resistance and energy efficiency
- Hidden weep system for improved aesthetics
- The C700 Fiberglass Series comes with Lifetime Limited Warranty. Full Lifetime Warranty is also available as an optional upgrade for a fee and must be selected at the time of purchase.

Energy efficient glass

Able to meet ENERGY STAR® requirements in all four climate zones. Our dual-pane insulated glass package options help save on heating and cooling costs while enhancing home comfort.

- In cool weather, insulated glass provides outstanding thermal performance to keep interior glass surfaces closer to room temperature, eliminating cold spots near windows
- In warm weather, it helps reduce solar heat gain and minimize glare to improve interior comfort

GLASS PACKAGE	U-VALUE	SHGC	ENERGY STAR ZONE
SunCoat Low-E	0.31	0.25	
SunCoat Low-E with Flat Grid	0.32	0.24
