

MILGARD
WINDOWS and DOORS

C700 **Series**
Horizontal slider window

Stylish, durable, and energy efficient, the C700 horizontal slider is a modern fiberglass window. It's simple to open and close, allowing you to enjoy fresh air on a warm day, and its narrow sightlines provide unobstructed views to the outside. What's more, the C700 horizontal slider is chock-full of aesthetic options; whether you're in the market for darker-colored frames, obscure glass, or grids – or something else entirely – you'll find a C700 horizontal slider that suits your style.

What you can expect

COMPLEMENTARY PRODUCTS

The C700 Series features a complete product family. Whether you're looking for a picture window, casement, single-hung, or a patio door – sliding and swinging – you'll find a C700 product to accompany your horizontal slider.

ENERGY EFFICIENCY

Like most fiberglass windows, the C700 offers top-notch energy efficiency. It comes standard with MILGARD SunCoat Low-E2 glass, and homeowners have the option of upgrading to SunCoatMAX Low-E3 glass and argon gas between the panes for added energy performance.

COLOR OPTIONS

A truly contemporary window, the C700 is available with a number of frame color options: white, black, bronze, bark, adobe, and steel gray.

Engineered to perform

- Compatible with window-opening control devices (WOCDs) for homes with small children and/or pets
- Added foam provides enhanced thermal performance
- Comes standard with FlexScreen
- State-of-the-art SmartTouch lock exceeds California's rigorous forced-entry codes
- Offers peace of mind with a Lifetime Limited Warranty

Energy efficient glass

Able to meet ENERGY STAR® requirements in all four climate zones. Our dual-pane insulated glass package options help save on heating and cooling costs while enhancing home comfort.

- In cool weather, insulated glass provides outstanding thermal performance to keep interior glass surfaces closer to room temperature, eliminating cold spots near windows
- In warm weather, it helps reduce solar heat gain and minimize glare to improve interior comfort

GLASS PACKAGE	U-VALUE	SHGC	ENERGY STAR ZONE
SunCoat Low-E	0.34	0.29	-
SunCoat Low-E with Flat Grid	0.34	0.26	-
