

MILGARD
WINDOWS and DOORS

C700 **Series**
Picture window

Enjoy amazing scenes of the outside with the C700 picture window. Boasting narrow sightlines for improved views, the C700 is a modern fiberglass window that combines performance with aesthetics. It's long-lasting, energy efficient, and aesthetically pleasing. It also complements the other windows and doors in the C700 Series.

What you can expect

MODERN LOOK

With its narrow sightlines and array of dark frame color options (white, black, bronze, bark, adobe, and steel gray), the C700 is the epitome of a modern window. It can complement any architectural style or interior design.

ENERGY PERFORMANCE

Like most windows and patio doors with a fiberglass frame, the C700 has outstanding energy efficiency. The frame, combined with Low-E glass coatings, makes for a picture window that can help keep your home's interior comfortable in any climate.

AMAZING VIEWS

Not only do the clean, simple lines give the C700 a contemporary look, they also enhance the views to the outside. With the C700 picture window, you'll enjoy tremendous vistas whether you're looking out onto an urban, suburban, or rural setting.

Engineered to perform

- The 3¼-inch frame depth provides added structural integrity
- Interior glazed for enhanced water performance
- The 1¾" sightline allows for expansive views
- C700 offer peace of mind with a Lifetime Limited Warranty

WIDTH	HEIGHT
120"	72"

Energy efficient glass

Able to meet ENERGY STAR® requirements in all four climate zones. Our dual-pane insulated glass package options help save on heating and cooling costs while enhancing home comfort.

- In cool weather, insulated glass provides outstanding thermal performance to keep interior glass surfaces closer to room temperature, eliminating cold spots near windows
- In warm weather, it helps reduce solar heat gain and minimize glare to improve interior comfort

GLASS PACKAGE	U-VALUE	SHGC	ENERGY STAR ZONE
SunCoat Low-E	0.31	0.32	-
SunCoat Low-E with Flat Grid	0.31	0.29	-
