

MILGARD
WINDOWS and DOORS

C700 **Series**
Single-hung window

The latest in innovative fiberglass engineering, the C700 single-hung window is ideal for your next replacement or new construction project. Its superior energy performance makes it a top choice for homes in any climate, and the SmartTouch locking mechanism will provide peace of mind for you and your family. Moreover, the C700 is loaded with aesthetic options that will improve your home's curb appeal.

What you can expect

COLOR OPTIONS

A truly contemporary window, the C700 is available with a number of color options: white, black, bronze, bark, adobe, and steel gray.

NARROW SIGHTLINES

The C700's narrow sightlines are a reflection of its modern design. Not only do they provide improved views thanks to the maximized glass area, but they also allow more natural light into your home's interior.

ENERGY PERFORMANCE

Like most windows and patio doors with a fiberglass frame, the C700 has outstanding energy efficiency. The frame, combined with Low-E glass coatings, makes for a single-hung window that can help keep your home's interior comfortable in any climate.

Engineered to perform

- State-of-the-art SmartTouch lock exceeds California's rigorous forced-entry codes
- Weep hole covers protect against debris and bugs, allowing for proper drainage
- Adjustable rollers with stainless steel axels make for easy operation
- Comes standard with FlexScreen
- The C700 Series comes with a Lifetime Limited Warranty

Energy efficient glass

Able to meet ENERGY STAR® requirements in all four climate zones. Our dual-pane insulated glass package options help save on heating and cooling costs while enhancing home comfort.

- In cool weather, insulated glass provides outstanding thermal performance to keep interior glass surfaces closer to room temperature, eliminating cold spots near windows
- In warm weather, it helps reduce solar heat gain and minimize glare to improve interior comfort

GLASS PACKAGE	U-VALUE	SHGC	ENERGY STAR ZONE
SunCoat Low-E	0.34	0.29	-
SunCoat Low-E with Flat Grid	0.34	0.26	-
